Average power	60V
Printing Lines	1-4lines
Print head	Monochrome Print Head (G Head)
Print speed (maximum)	4.4 m / s
Font height	5 to 24 dot matrix
Machine size	530mm*300mm*420mm
Weight	23kgs
Voltage	100-120/200-240V with automatic switching
Frequency	50Hz-60Hz
Power	60V
Operating temperature	0-40°C
Relative humidity	10-90%,Non-frosting
Dust/moisture level	IP54,No factory air is required

Accessories:
printer stand (stainless steel or aluminum)
print head stand (stainless steel)
different print head bracket
stainless steel print head cover
electric eye

Operating:
information base (up to 100 messages)
machine interface (31 languages selected)
PCMCIA compact flash card reader
IC60 ink circuit.
