Product Name	Inkjet printer 1210
Average power	120W
Printing Lines	1-3lines（2mm-8.5mm）
Print head size	43.1mm*240.5mm
Print speed (maximum)	162.5m/min（one line）
Number of print characters (maximum)	457/s（7*5）
Machine size	541mm*345mm*285mm
Weight	18KG
Voltage	100-120/200-240VAC
Frequency	50Hz-60Hz
Power	120W
Operating temperature	5-45°C
Relative humidity	10-90%,Non-frosting
Storage temperature	5-45°C

Keyboard: A clad keyboard with haptic feedback, including 72 numeric keys, letter keys, and special function keys.
Standard computer keyboard, close to international PC practice.
Display: 320 x 240 bright blue backlight 5.7" LCD display.
