HIGH QUALITY

# Why choose us

## High quality ○

Quality is crucial to our business and is the fundamental reason for our success. The high quality is both in the fluids and the service that we provide to our customers and distributors. Only the highest quality raw materials and the control of the manufacturing process, can ensure each batch in the same from the first to the last .

Owr products have exceptional stability and good adhesion om various substrates including low surface energy plastics, metals, pipes & tubes, cables & wires etc.

## Competitive price

Our goal is to provide our agent with high quality products at competitive prices. In order to keep prices as competitive as possible without compromising product quality, we work very hard. We have developed a close relationship with our distributors who can always offer the high quality products and the most competitive as far as possible. At chief we are proud of that we can be able to provide our customers with the products have great quality and a low price.

## Fast Service ○

We understand that our distributors' brand and reputation is extremely important. Because of this , we are happy to private labels for our distributors. So we provide our costumers after-sales service for free.

# Product classification

For Domino

For DOD

For Hitachi

For Linx

For Metronic

For Videojet

For Imaje

For Citronix

For Willett

## Industrial Applications

Our ink is mainly used for famous brand of cij printer like domino, hitachi , imaje, linx , citronix and so on. Our inkjet inks can be used for a variety of applications, such as the industry of cables, electronics, pipes, plastic, pharmaceutical, construction and so on

**ONE**  
WIRE AND CABLE INDUSTRY

# Product packaging
