Why choose us

High quality ○

Quality is crucial to our business and is the fundamental reason for our success. The high quality is both in the fluids and the service that we provide to our customers and distributors. Only the highest quality raw materials and the control of the manufacturing process, can ensure each batch in the same from the first to the last .

Owr products have exceptional stability and good adhesion om various substrates including low surface energy plastics, metals, pipes & tubes, cables & wires etc.

Competitive price

Our goal is to provide our agent with high quality products at competitive prices. In order to keep prices as competitive as possible without compromising product quality, we work very hard. We have developed a close relationship with our distributors who can always offer the high quality products and the most competitive as far as possible. At chief we are proud of that we can be able to provide our customers with the products have great quality and a low price.

Fast Service ○

We understand that our distributors' brand and reputation is extremely important. Because of this , we are happy to private labels for our distributors. So we provide our costumers after-sales service for free.

WIRE AND CABLE INDUSTRY

Product packaging

A group of approximately 12 employees of Cheef Company are posing for a group photo. They are standing in front of a banner that reads "经营理念 品质至上 诚信服务" (Business Philosophy: Quality First, Honest Service). The employees are dressed in casual attire, and some are giving thumbs up. A blue semi-transparent box is overlaid on the image, containing the company's main priorities and a call to action.

Welcome to Cheef Company!

Our main priority:

Competitive Cost
High Quality Ink
Fast delivery

Give us one chance of cooperation
Return to you one best assistant!
