Why choose us

High quality

Quality is crucial to our business and is the fundamental reason for our success. The high quality is both in the fluids and the service that we provide to our customers and distributors. Only the highest quality raw materials and the control of the manufacturing process, can ensure each batch in the same from the first to the last .

Owr products have exceptional stability and good adhesion om various substrates including low surface energy plastics, metals, pipes & tubes, cables & wires etc.

Competitive price

Our goal is to provide our agent with high quality products at competitive prices. In order to keep prices as competitive as possible without compromising product quality, we work very hard. We have developed a close relationship with our distributors who can always offer the high quality products and the most competitive as far as possible. At chief we are proud of that we can be able to provide our customers with the products have great quality and a low price.

Fast Service

We understand that our distributors' brand and reputation is extremely important. Because of this , we are happy to private labels for our distributors. So we provide our costumers after-sales service for free.

Payment and Shipment

Payment

1. Generally, we accept the following payment methods: T/T; Western Union; paypal. T/T; western union. And our protection only gives the payment ways accepted by Alibaba Trade Assurance.

Shipment

1. We will sent the items within 5days (working days, Not holiday sea for ink and about 15days for machine after receiving your payment.

2.The shipment is always by Express , air or sea .

Sea transportation: It is used for large volume of products.It is shipped from port to port.

It is the most economical shipment way, we suggest this with order more than 1cbm, the unit cost will be the cheapest.

Air transportation:It is shipped from airport to airport.Compared with sea transportation, costs are relatively higher,but it has high efficiency with about five working days.If the goods weight is more than 180kgs and you also want to receive the goods in short time, we suggest this way.

Express: It is shipped from door to door ,it is very quickly with about 5 working days,and intimate service.Normally if the goods weight is lower than 180kgs , we suggest this way.

If you have any concerns about it ,you can contact us now by email sales@cheef.cn <<mailto:sales@cheef.cn>>

3. When you receive the items you ordered, please check it carefully.Please contact us directly if you have any problems.

4. If you have not got it within the shipping time,please contact us without hesitation. We will check it for you immediately.

Q1:What is your main products of ink?

A:Cheef ink manufactures a full line of high quality, low cost alternative inks, makeup, and cleaners for Continuous Ink Jet (CIJ), Drop on Demand (DOD) and High-Resolution industrial printers and coders. Innovative technology is the core of our business, and our inks are trusted alternatives to products from many OEMs including Videojet, Domino, Imaje, Marsh, Citronix, Linx ,Metronic,Rottweil,and more.

Q2:Which products your ink can be used ?

A:Cheef ink can used on metal, glass, PVC, other plastics, and laminated paper with pigmented inks for use on darker substrates and available in white, gray, silver, and light blue,and so on.

Q3:Which industry of your ink used?

A:Cheef inks are used in a wide variety of industries for many different applications, including the automotive, food, beverage, electronic, consumer products, wire cable, pharmaceutical Industries and so on.

Q4:Is your ink compatible?

A:Yes ,cheef ink can develop the inks for use in your current coding and marking equipment. Whether the ink you've been using is out of stock, been discontinued, too costly or under performing, we can replicate and improve upon OEM manufactured ink. The most important is these inks are guaranteed compatible with your equipment. Just change out the ink, possibly run a flush, and you're ready to go.

Q5:How is your ink quality?

A:All of our inks are developed in our on-site lab which enables us to design and manufacture inks and fluids for the most difficult applications. We use only the highest quality dyes, pigments and materials in our inks.Our Custom ink successfully cover the most demanding manufacturing requirements. Our dye-based CIJ inks is suitable for most applications and is available in a vast range of solvents and colors.

Q6:How many colors of your ink?

A:We can produce the ink according to your request , and customize your color of ink, and make your own private label.
Our soft-pigmented CIJ inks deliver codes in intense colors such as yellow, red, and green, using a standard printer.
