

Part Number	408300
Part Name	VideoJet VJ6230 Inkjet Printhead Assembly
Part Description	Replacement Inkjet Printhead Assembly

1. Installation

1. The printhead assembly is designed to be installed in the VideoJet VJ6230 printer. The assembly is shown in the image above. The assembly is a long, thin, orange-colored flexible circuit board with a series of gold-plated contacts at one end. The other end of the board is connected to a metal housing. A small white label on the housing reads 'PIN 408300 R 9950' and 'S11221031102'. The text 'CHEEF INKJET PRINTER INK MANUFACTURED' is printed on the orange board. Two screws are shown below the assembly, likely used for mounting it.

2. Dimensions

Overall length

-32mm

-53mm

-107mm

Resolution: 300 dpi to 600 dpi

3. Features

The printhead assembly is designed to be installed in the VideoJet VJ6230 printer. The assembly is shown in the image above. The assembly is a long, thin, orange-colored flexible circuit board with a series of gold-plated contacts at one end. The other end of the board is connected to a metal housing. A small white label on the housing reads 'PIN 408300 R 9950' and 'S11221031102'. The text 'CHEEF INKJET PRINTER INK MANUFACTURED' is printed on the orange board.
