# COMPANY INFORMATION

One hundred years only do one thing, to provide the best quality and economical ink for all over the world's inkjet printers

At cheef we possess a well-equipped Research and Development facility alongside substantial internal resources to offer custom-made products for specific request. Our core priority is competitive cost with high quality products and fast service.

## Payment and Shipment

### Payment

1. Generally, we accept the following payment methods: T/T; Western Union; paypal. T/T; western union. And our protection only gives the payment ways accepted by Alibaba Trade Assurance.

## Shipment

1. We will sent the items within 5days (working days, Not holiday sea for ink and about 15days for machine after receiving your payment.

2.The shipment is always by Express , air or sea .

Sea transportation: It is used for large volume of products.It is shipped from port to port.

It is the most economical shipment way, we suggest this with order more than 1cbm, the unit cost will be the cheapest.

Air transportation:It is shipped from airport to airport.Compared with sea transportation, costs are relatively higher,but it has high efficiency with about five working days.If the goods weight is more than 180kgs and you also want to receive the goods in short time, we suggest this way.

Express: It is shipped from door to door ,it is very quickly with about 5 working days,and intimate service.Normally if the goods weight is lower than 180kgs , we suggest this way.

If you have any concerns about it ,you can contact us now by email [sales@cheef.cn](mailto:sales@cheef.cn) <<mailto:sales@cheef.cn>>

3. When you receive the items you ordered, please check it carefully.Please contact us directly if you have any problems.

4. If you have not got it within the shipping time,please contact us without hesitation. We will check it for you immediately.

# Perguntas frequentes

## **Q1: como encomendar peças de reposição?**

Um: nos dar o modelo de peças de reposição ou fotos.

## **Q2: todas as peças de reposição para as impressoras que você tem?**

Um: nós já fazemos esta indústria por mais de 10 anos. Para a maioria das partes, podemos ajudá-lo!

## **Q3: estas peças de reposição são compatíveis para nossas impressoras a jato de tinta?**

R: Sim, não se preocupe, pode compatível para impressoras perfeito.

Nós já testamos antes de vender para o mercado.

## **Q4: posso tentar amostra?**

R: Sim, com certeza, você pode tentar amostra e fazer o teste antes do pedido em grandes quantidades.

## **Q5: Exceto as peças de reposição em seu site, você tem outras peças de reposição?**

R: Sim, com certeza, já que as impressoras de cada marca têm mais centenas de peças de reposição, não listamos todas, portanto, você pode entrar em contato conosco e nos fornecer a lista de peças de reposição necessárias e citá-las de acordo.
