|-----------------------------|--------------------------|---|
| <b>spare parts for Linx</b> | LB-PL1459                | printing keyboard membrane for linx 4800    |
|                             | LB-PC1762                | protective cover for linx resonator         |
|                             | LB-PL1433                | Chinese keyboard membrane used for linx6900 |
|                             | LB-PL1434                | Chinese keyboard membrane used for linx4900 |
|                             | LB-PC1575                | magnet for linx 4900 head cover             |
|                             | FA73044                  | main filter for linx                        |
|                             | FA13005                  | solvent diptube for linx                    |
|                             | FA13004                  | ink diptube for linx                        |
|                             | FA74163                  | inline filter for linx                      |
|                             | LB74151                  | side port valve assembly 2 way              |
|                             | LB74162                  | ink and solvent caps' seals – pack          |
|                             | FA72050                  | damper                                      |
|                             | LB73181                  | screw for printhead                         |
|                             | LB74070                  | calibrated nozzle assembly 62 micron        |
|                             | LB74125                  | solenoid 3 port                             |
|                             | LB16071                  | jet pump kit for linx 4800                  |
|                             | LB16313                  | mk3 venturi for linx                        |
|                             | LB16314                  | mk3 manifold assembly                       |
|                             | LB72134                  | printhead cover for linx 4900               |
|                             | LB16006                  | jet pump kit for linx 4900                  |
|                             | LB16071                  | jet pump kit for linx 4800                  |
|                             | LB10301                  | venturi for linx                            |
|                             | LB10674                  | power supply for linx4800/4900/6800/6900    |
|                             | LB13416                  | jet pump kit for linx 6200                  |
|                             | LB-PL1462                | Chinese keyboard membrane for linx 7300     |
|                             | LB-PG0293                | L type nozzle filter screen                 |
|                             | LB-PL1463                | MEMBRANE FOR LINX<br>6800(black-and-white)  |
|                             | LB16071                  | JET PUMP KIT FOR LINX 4800                  |
